

# Memorandum

---

**To:** All Kendal~Crosslands Communities Residents

**From:** Antonio L. Sofia, Director of Rehabilitation and Wellness Services

**Date:** March 15, 2021

**Subject:** Procedure for Entering the KAL Wellness Center for Rehabilitation, Fitness, and Aquatics

Hello Friends,

We are very excited to have you return to the services in the Wellness Center. Below you will find the operational procedures for access to the area. These procedures will help make your visit efficient and comfortable. Remember always to wear your mask correctly, remain socially distant, and most of all, have fun. We ask that NO IL Resident access the Wellness Center using the Bridge from the Health Center.

**Parking:**

1. All parking outside of the Wellness Center is for residents with an appointment for Rehabilitation services and Fitness and Aquatics use.
2. A resident is also welcome to contact Transportation (ext. 5602) to schedule a pickup and drop off for all Wellness Center services.

**Entering and Screening at the KAL Wellness Center:**

1. At this time, the sliding doors will remain locked, and all residents must enter using the side door on the loading dock side of the Wellness Center.
2. All residents attending an Aquatics appointment will proceed to the Aquatics Center to be screened and given a bracelet for the day.
3. All residents attending a Rehab or Fitness appointment will enter the Wellness Center door and take the elevator to the third floor to be screened and given a bracelet for the day by your Rehab or Fitness Representative.
4. No Services can begin without a valid daily screening band.

On behalf of the entire wellness team, welcome back to the center. We are hopeful we can remain and healthy and safe community.
